Recommendations for smoother transactions

1. Provide the completed Underwriting Submission Checklist and all necessary notes and explanations to the Underwriter (include all mortgage and rental histories)
2. Be aware of the Net Tangible Benefit Test and Recoupment Period requirement – 36 months or less.
3. Condos MUST be VA Approved. VA does not recognize HUD Approved condos. Search [HERE](#) for a list of VA Approved Condos. If the condo is not approved, contact the VA for approval options (this will take time!)
4. IRRRL Transactions: If a value determination is required it must NOT be ordered through WebLGY.
5. For refi transactions it is important that the payoff stmt is requested/received prior to requesting a clear to close. Please provide updated payoffs to u/w asap
6. Provide copy of fully executed Initial disclosure to Veteran for IRRRL and Cash-Out Refinances that compare terms of existing mortgage with terms of proposed mortgage.
